

New art exhibition at Geneva entrance

Since last week, our Geneva reception area is decorated with extra colors again. More than that!

The Excel Team is pleased to announce the new exhibition of paintings by Alyaa Kamel, artist and poet, until April 7, 2006. If you take a few minutes to look at the artwork - you will appreciate the fusion of mat and shiny, earth and space... The list of the paintings including prices is available at the reception.

Meet Alyaa Kamel also on-line and find out more about the artist, her paintings, poetry, and the adventure of decorating one of the cows exhibited in Geneva last summer. Her website, in French and English: <http://www.alyaakamel.com>

The date of an encounter with the artist will be announced later. For questions or feedback contact: "Geneva Excel Team" (e-mail address).
